The taxes for the year 1878 amounted to	Piastres	£	s.	d.
(This being paid in Coimé at a very variable rate, it is scarcely correct to reduce the amounts to sterling.)	1,370,221	=	11,418	10 4
The tithes of this district were farmed out in 1878 for	25,000 0 0
Revenue therefore was	<u>£36,418 10 4</u>
The taxes for the year 1879 amount to	...	£	s.	d.
This does not include indirect taxes such as Customs, say...	...	10,379	9	0
	...	1,000	0	0
		<u>£11,379</u>	9	0

It is impossible to calculate the tithes yet for this year (1879).

From Famagousta the chief exports are corn, from Messaria, donkeys, fruit, and pottery, the two latter chiefly from Varoshia.
